

SECOND ANNOUNCEMENT

Congress of PHARMACY

in North Macedonia
with international participation

Ohrid, 1-4 October, 2026

Pharmacy of the new era -

Innovative solutions for future challenges

<https://8congressmfd2026.mk/>

ORGANIZED BY

On behalf of the Scientific and Organizing Committees, it is our great pleasure to invite scientists, researchers, pharmacists and other healthcare and industry professionals to participate in the **8th Congress of Pharmacy in North Macedonia with international participation**, which will be held from **October 1–4, in Ohrid**, jointly organized by the Macedonian Pharmaceutical Association and the Faculty of Pharmacy, Ss. Cyril and Methodius University in Skopje.

We are confident that the scientific program, comprising plenary lectures, invited talks, oral and poster presentations, will provide a dynamic platform for the exchange of knowledge, ideas and experience. The Congress will be focus on **current challenges, innovative approaches and future directions in pharmaceutical sciences and practice**. The Scientific program will highlight the role of cutting-edge research, digital transformation, translation of scientific advances into improved therapeutic solutions and interdisciplinary collaboration in improving medicinal products and most importantly, patient care and public health.

Special emphasis will be placed on fostering dialogue between academia, healthcare practice, regulatory bodies and the pharmaceutical industry.

The Congress will offer an excellent opportunity for **young scientists and early-career researchers** to present their work alongside established experts, encouraging the development of novel ideas, translational research and practical solutions for modern pharmacy.

A presentation of pharmaceutical companies and related stakeholders across the medicine supply and development chain will be an integral part of the Congress, providing additional opportunities for networking and professional exchange.

We look forward to welcoming you to Ohrid, the beautiful Macedonian pearl on the shores of Lake Ohrid and to sharing an inspiring and forward-looking congress experience.

About Ohrid

Ohrid is the largest city on Lake Ohrid and the eighth largest city in the country. Ohrid is famous for having 365 churches, one for each day of the year, which is why it is known as the “Balkan Jerusalem”. The city is rich in picturesque houses and monuments. In 1979 and 1980, Ohrid and Lake Ohrid were recognized as a UNESCO World Heritage Site. In fact, Ohrid is one of only 28 cities that are part of the UNESCO World Heritage Site and are both cultural and natural heritage. Ohrid is one of the leading tourist cities in North Macedonia.
